Undergraduate includes Post Baccalaureate

¹ The Computer Information Systems (CIS) and Enterprise Information Systems (EIS) majors are being phased out, students in these majors can decide to finish or change over to the new Management Information Systems (MIS) major, introduced Fall 2016. To allow for more quick comparisons, a subtotal combining CIS/EIS/MIS has been added.

In cases of reorganization at the university, the prior years' information is also listed with the current structure to allow easier and more consistent comparison across time (see Appendix B for more info).

¹ FTIC includes those who began in the summer and continued in the fall.

² The SAT test was redesigned. Beginning with the 2017 incoming class, new SAT scores are reported, they are not equivalent to the older test scores.

³ TSI stands for Texas Success Initiative. It is a state-legislated program designed to improve student success in college. Incoming Texas college students are required to take the TSI assessment (unless they are exempt) to determine their readiness for college-level work.

FTE faculty calculations are based on the total instruction function (13A: instruction and 13B: administrative assignments which directly supplement the teaching function) divided by 100. Faculty teaching Air Force/Military Science classes are excluded. FTE student calculations are based on 15 hours for undergraduate students and 12 hours for graduate students. The calculation includes all classes (lecture, lab, practicum, seminar, independent study etc.) at all campuses except for the Air Force/Military Science classes taught at UH.

In cases of reorganization at the university, the prior years' information is also listed with the current structure to allow easier and more consistent comparison across time (see Appendix B for more info).

Appendix A - Definitions

First Time in College (FTIC): A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

IPEDS (Integrated Postsecondary Education Data System): IPEDS is the basic reporting series used by the Department of Education to collect higher education data.

Race/Ethnic Identification: The concept of race as used by the Equal Employment Commission does not denote clear-cut scientific definitions of anthropological origins. For the purposes of reporting, an employee or student may be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging.

American Indian/Alaska Native: A person having origins in any of the original peoples of North America or who maintains cultural identification through tribal affiliation or community recognition.

Asian/Pacific Islander: A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or Pacific Islands. This includes people from China, Japan, Korea, the Philippine Islands, American Samoa, India and Vietnam.

Black, non-Hispanic: A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).

Hispanic: A person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin, regardless of race.

White, non-Hispanic: A person having origins in any of the original peoples of Europe, North Africa or the Middle East (except those of Hispanic origin).

Undergraduate classification: Undergraduate classification is determined by the number of credit hours which have been completed.

<i>Freshman</i>	0 - 29 hours
<i>Sophomore</i>	30 - 59 hours
<i>Junior</i>	60 - 89 hours
<i>Senior</i>	90 hours or above
<i>Post Baccalaureate</i>	Attainment of a baccalaureate degree or higher

Appendix B – Notes

The Fact Book does not include enrollments in classes starting after the official day of record for the Fall semester.

Beginning in 2010, collection of race/ethnicity data has been split into a two question format. The information is compiled into the old categories to enable comparison of data across time.

The Fact Book includes students and their enrolled credit hours who are non-resident, located out of state, and taking only online classes. These students cannot be included in state reports per their instructions. The numbers of effected students are as follows: Fall 2012: 1 student (3 semester credit hours), Fall 2013: 3 students (12 semester credit hours), Fall 2014: 3 students (15 semester credit hours), Fall 2015: 7 students (39 semester credit hours) and Fall 2016: 6 students (33 semester credit hours). This affects all pages that are counts of students (including gender/ethnicity, classification, FTE, majors) and reports on semester credit hours.

Graduate certificate only students are included in internal (and federal) reports as Graduate students. In state reports they are considered post baccalaureate students.

The seminar classes that started in Fall 2014 are assigned to departments based on the department of the instructor of record. There is one exception to this method of assigning the classes, sections taught by a University College faculty member are assigned to the Urban Education department because they are being taught for that department.

In cases of reorganization at the university, the prior years' information (students, graduates, courses) is also listed with the current structure to allow easier and more consistent comparison across time. This includes the following:

- Computer and Mathematical Sciences and Engineering Technology departments were reorganized into the Computer Science and Engineering Technology and the Mathematics and Statistics departments effective Fall 2014.
- Davies College of Business and the College of Humanities and Social Sciences departments were reorganized effective Fall 2017.
