Beginning in 2010, ethnicity data has been split into a two question format. The information is compiled into the old categories to enable comparison of data across time.

This page counts non-degree-seeking students in the Transient categories. This causes the Transfer totals to differ from the second page. The second page reports students as Transfer whether or not they are degree-seeking.

The May 2013 data includes one student who is a non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions.
